

BUILD AN AGILE WORKFORCE WITH THEATRE EFFECTS TRAINING

HOW IT WORKS

We make learning more engaging by transforming people behaviors in a **Stimulating, Provocative and Experiential** way.

Adaptability & resourcefulness: The show must go on!

Innovation & creativity: What else?

Theatrical collaboration: Shared visioning with all stakeholders

Awareness: Self-audit, empathy & observation

Theatre Effects blends scientifically ground case studies and targeted discussions with high-energy, interactive & hands-on learning exercises.

Call us to see how we can make your workforce agile!

WHO IT'S FOR

Theatre Effects is ideal for organisations that want to grow, innovate and maintain agility in today's rapidly evolving, competitive landscape. From on-boarding new employees and team members, to first time managers and even leadership veterans, we've brought energy + fun to:

- Team quarterly kickoffs
- Professional Development and Teambuilding days
- Ideation Sessions
- That one thing you did last year that you need to go better this year...

WHY TE?

"I cannot tell you what a transformative start you gave to our program."

Amit Goel
EdgeTech

"The team had a wonderful time and they loved working together with you. The activities done got the team to work together and put their best. Continuous engagement of the team was seen. They couldn't stop talking about it after you left"

Murli Sundrani
